### Devotions February 2019

As most of you know I was recently on holidays in Australia and for one week I stayed with 10 of my brother's Japanese in-laws. They didn't speak much English and our Japanese was next to nothing.

Despite this, we had the most wonderful week together and they taught me how to cook a traditional Japanese egg roll called Dashi Marki Tomago. They presented me with my own special frying pan and carefully explained to me how to cook this delicious special dish. They also gave me a second frying pan so I could teach my son how to cook it and so pass on the tradition.

It reminded me of the verse in Psalm 78 about how important it is to teach our children, and the coming generations, of the glorious deeds of the Lord, of His might and the wonders He has done. The Lord led Moses to write the first 5 books of the Old Testament, which was also aided by the tradition of that culture in passing down the stories of old, the wonderful and glorious deeds of our Lord. In 2019, it's still as important now to keep telling our families and friends about the truth of the Gospel. *Jenni*
